**Fall is right around the corner and we can't wait! September is a great month to shake off the heat of the summer and revitalize with new menu items and events. We will be conducting a cooking class on September 19th from 4:30 til 6ish that will teach knife skills as well as basic cooking techniques. We will also be hosting a wine dinner on September 21st at 7pm. The wine dinner will be 5 course paired with 5 great wines for \$55. The wines will be available for sale the evening of the event as well.**

**We will post the wines along with the pairings closer to the event. We also want to thank everyone for another successful Seafood Festival. Without our supportive patrons, we would not have had the success we have enjoyed the past 3 1/2 years. As we go into the fall, our menu will be evolving and changing colors. We plan on using our local farmers to turn out more beautiful tasty dishes.**

We also offer retail wine sales for your private cellar or your next party. We offer wines not available in stores for 20% over our cost! Come by or call for details.

**As always, we look forward to seeing you here at Meridian!  
Mark & Trevor**
